**You are invited—with guests —  
to the following social events!**

**Popsicle Party: 7 pm nightly** by the gray registration cart on the **TELESCOPE LOT**.

- A brief get-together, a chance for new folks to introduce themselves and for anyone to make announcements/suggestions/requests. Freezer Pops provided.

**Pizza: 12:30 pm Sunday, June 02 \*ASPEN LOOP**

- Gather at 12:30 pm. Eat at about 1:00 pm. BYO drink, maybe chair. Thanks to TAAA for buying the pizza and salad, and to Susan O'Connor for picking it up. See reverse for Aspen Loop info on where to park.

**IMAX & lunch in Tusayan: 11:45 am Tuesday, June 04.**

- Meet at We Cook Pizza and Pasta in Tusayan for lunch at 11:45 am. Everyone is welcome. Then anyone who wants to attend the movie will go across to the IMAX for the 1:30 pm showing. (The Purple Route shuttle also goes to Tusayan; see the POCKET MAP for details.)
- IMAX is FREE for astronomer volunteers + 1 family member. 25% discount on tickets for extra family members. Inform the IMAX ticket office that you are volunteers with the National Park Service, and you will get in free. You may go to any showing you choose but this is a great chance to socialize with your fellow astronomers! IMAX runs every hour on the half hour starting 8:30 am. Last show: 7:30 pm.

**Social events are at site 30 at Mather Campground.**

- Non-campers must park at Camper Services (aka laundry/showers). From Camper Services, walk between the left side of the building and the brown trailer. Turn right at the propane tank onto the gravel path, continue straight across the paved road and you will be in Site 28. The canopies are straight ahead, inside the paved loop road. See map below for a bird-eye view of the area.
- If you have special needs and must park at the campsite, please contact Mae Smith, campground coordinator, the day before to make arrangements.
